

# Interactive Wall Package

£5,000

Our eye-catching interactive wall is the perfect solution for integrating social media with a digital display. There are so many ways to utilise these enticing screens, attracting thousands of eyes to your company products, designs and innovative ideas.

Our interactive wall package offers:

- The opportunity to showcase your company products and designs
- Immediate delegate engagement
- Display opportunity for your company logo around interactive wall boarder
- The ability for delegates to interact with your company virtually via pre-recorded video's, virtual content, virtual reality, social media and more
- Prime location offering maximum exposure and delegate interaction
- Ability to make multiple changes to your interactive content
- Engagement via interactive games, quizzes, questionnaires and competitions
- Accessibility by all delegates and attendees throughout duration of event

This interactive wall package also provides the chance for sponsors who are unable to attend Fulmination 2023 to engage via a virtual presence, still receiving full company exposure and delegate interaction.

If you would be interested in our package, please contact us using the details below.
