

***Explanatory note on the proposed changes to
the Constitution of the Institute of Explosives
Engineers***

The revised constitution on which members are asked to vote contains the following changes from the edition dated 29/04/2022. This note does not form part of the Constitution.

Proposed 2023 Constitution Article No:	Change and reason:
6.	Article updated to give clarity between members of the Institute and members of the Institute Board.
